WSV Haringvliet is open to everyone. We try to be an active association. We expect that our members to participate in the mandatory one to two days per year of maintenance activities in the port and / or contribute to events, commissions and administrative tasks.

Our association carries the international quality label "Blue Flag" and operates two ports: "The Heliushaven" directly on the Haringvliet (Heliushaven 11, 3221 LT Hellevoetsluis) and the more sheltered "Channel harbor" (Kanaalweg 10, 3221 LK Hellevoetsluis).

Both ports have a harbor master, modern sanitary facilities, WiFi, electricity and (free) water available.

In addition, the Association organizes the following regular activities:

- Youth Sailing, CWO instruction and guided sailing
- Sailing competitions, trainings
- Events
- Tours, lectures, etc.
- Publication of our association magazine "Het Bestek" (=Cutlery)

Only through active participation of the members, we can offer good facilities provide for a modest price.

As a member, you can be placed on the waiting list for a permanent mooring. When assigning a berth, we assume the berths available in both ports that are suitable, based on the dimensions of your ship. The association has a maximum ship length (LOA) of 14.50 meters (47 feet) and a maximum displacement of 20 tons. Depending on the size of your ship and the length of the waiting list, it may take some time for a berth to become available. As long as no berth has been assigned, you can use one of the temporarily available berths, in consultation with the harbor master.

More information about the WSV Haringvliet can be found on our website: wsv-haringvliet.nl Under the heading "vereniging" you can e.g. find our rates (=tarieven). It is even better to visit and sample the atmosphere of our ports. You can also visit our Facebook page.
